Professional Summary — Computer Science student with experience in full-stack web development and software problem solving. Skilled in JavaScript, Java, SQL, and debugging applications. Experienced in building scalable web applications and working with APIs and databases. Strong analytical mind-set with the ability to quickly understand technical systems and resolve issues.

Education

- B.Tech CSE | Sharda University, Gr. Noida Session: 2022-2026 | Score: 8.7+ CGPA
- Intermediate (CBSE) | Wisdom Public School, Aligarh | Session: 2020-2021 | Percentage: 88%
- Matriculation (CBSE) | Wisdom Public School, Aligarh | Session: 2018-2019 | Percentage: 93%

Skills

- Backend: Node.js, MongoDB, Express
- Database: MySQL, SQL Queries
- Frontend: HTML, CSS, JavaScript, React
- Concepts: Debugging, API Integration
- Languages: c, Java, Python
- Tools: VSCode, Git, Github, Rest APIs

Internships

- **ResearchScript | May 2024 – August 2024 | Role: Web Development Intern**
 - Built responsive UI using React and Tailwind while debugging API integrations.
 - Integrated backend APIs connected to open-source models for real-time data.
 - Focused on enhancing user experience and UI consistency across devices.
- **Creative Studios | Sep 2023 – Dec 2023 | Role: Front-End Intern**
 - Developed web applications using React (frontend).
 - Built dynamic UIs using HTML, CSS, and JavaScript in an Agile team environment.

Projects

- **AI Resume Analyzer & Improvement Platform**
Built a full-stack resume analysis platform with backend APIs for resume parsing, scoring, and AI-powered feedback through an interactive dashboard.
Tech Stack: React, Node.js, Express, MongoDB, OpenAI API
- **DocLens: AI-Enhanced Document Intelligence Platform for SMEs**
Built a full-stack document intelligence platform with backend APIs for text extraction, processing, and AI-based summarization.
Tech Stack: React, Node.js, Express, MongoDB, Tesseract.js, pdf-parse, mammoth
- **Bakemart Paradise – Online Bakery Website**
Responsive bakery website for browsing products and categories with a clean UI and smooth navigation across devices.
Tech Stack: HTML, CSS, JavaScript, React

Certifications

- Java Fundamentals Learner | Oracle | 2023
- Database Management Systems Course | Oracle | 2024
- Web Development Certification | Udemy | June 2023
- Technomania Certification | 2023
- Java Programming Course | Infosys Springboard | 2024

Extra-Curricular Activities & Engagements

- Actively participated in **college hackathons** and coding competitions, recently participated and cleared SIH at college level.
- Frequently engaged in **technical and non-technical college events**, showcasing strong teamwork, adaptability, and organizational skills.
- Involved in **student-led initiatives and clubs**, contributing to the planning and execution of events.
